Commissioner for Patents

NOTIFICATION OF NON-COMPLIANCE WITH THE REQUIREMENTS OF 37 CFR 1.192(c)

The brief does not contain a concise statement of the issues presented for review as required by 37 CFR 1.192(c)(6). Appellant lists claims 1-8 and 10-19 as anticipated; with claim 9 as obvious. Claims 2-13 are canceled in the instant application, thus no rejection is possible for such claims. Additionally claim 1 is not subject to an anticipation rejection as set forth on page 6 of the appeal brief.

The rejection of claims 1, 14-23 and 25-33 stand or fall together because appellant's brief does not include a statement that this grouping of claims does not stand or fall together and reasons in support thereof. See 37 CFR 1.192(c)(7).

Appellant is required to comply with provisions of 37 CFR 1.192(c).

To avoid dismissal of the appeal, Appellant must comply with the provisions of 37 CFR 1.192(c) within the longest of any of the following TIME PERIODS: (1) ONE MONTH or THIRTY DAYS, whichever is longer, from the mailing of this communication; (2) within the time period for reply to the action from which appeal has been taken; or (3) within two months from the date of the notice of appeal under 37 CFR 1.191. Extensions of these time periods may be granted under 37 CFR 1.136.
